MISSOULA PHYSICIAN TO PARTICIPATE
IN FIRST WELL-CHILD CLINIC

MISSOULA--

Dr. Donald N. Gillespie of the Western Montana Clinic will be the attending physician at the first in a series of well-child clinics next month in Missoula.

The Associated Students of the University of Montana (ASUM) and the Missoula City-County Health Department will cosponsor the clinic for children of University students and the general public from 9 a.m.-noon Tuesday, Nov. 12, at the University Clubhouse, located between the University Golf Course and Castle Court near South Avenue.

Thomas A. Stockburger, Billings, ASUM president, said that nursing and supportive services will be provided during the well-child clinics, which are tentatively scheduled for the second Tuesday of each month. No transportation will be provided for the clinics.

Participation in each of the clinics will be by appointment only. Appointment applications may be obtained at the City-County Health Department in the Missoula County Courthouse.

Funds for operating one clinic per month are being provided by the ASUM.
